

Touring Car News Letter
Issue 6 June 2007

BRCA
BRITISH RADIO CAR ASSOCIATION

Hi Everyone

Firstly sorry for the late and the relatively short June newsletter, a sign of the fact we are well into the touring car season and even I am busy. We have just completed round three of the BRCA national series and are looking forward to this years Euros in France, the BTCC is now in full swing and regional series such as the STCC are all well into the 2007 calendars.

The Muchmore Scottish grand prix was a big success and well done to Dan Rolland's and the Stonehaven club for their efforts in making it one of the highlights of the season so far, a summary of events north of the border can be found later in the news letter along with reports from the Halifax nationals.

We are now under a month away from the Young Guns BRCA juniors, not too late to get an entry in for you slow coaches who like to leave things to the last second.

Hope your season is going to plan

All the best

Adrian Jefferies

Carpet Wars 5 Entry Forms Now on Line

Never one to be behind with his preparation, Ian Knight of Maritime Racing is pleased to announce dates and entry details for this winter Carpet Wars series. Now excepted as the top carpet winter series this years championship will again be held at the Black Lion.....Leisure centre, and with many top touring car racers already committing to the championship this year looks like it could be a classic.

Sponsorship comes from LRP and Helger Racing

Entry form and rules for the 2007 – 2008 series can be found at

Eastbourne is GO

Eastbourne model car club were graced with fantastic weather for its opening meeting last month, the new track is based at Hailsham just north of Eastbourne and is on the site of the old off road track.

The meeting saw wins for Chris Kerswell in 19 turn and Olly Jefferies in modified.

Andy's Double Scotch

Congratulations to Andy Moore on a fantastic double at the MuchMore Scottish Grand Prix, Andy dominated taking FTD in both the modified and 19 turn class, he followed this up with straight wins in all legs of the finals.

Another year on and the Muchmore Grand Prix continues to grow in stature with more drivers from south of the border and abroad joining the Scottish contingent at the fantastic Stonehaven track, this year making their debut at the meeting were 19 turn UK regulars Chris Kerswell, Jimmy Maddison and Chris Delves and from further a field Dutchman Niels Koenekoop and Korean drivers Ryan Lee and Jang Ji-Hyun, these drivers joined a strong modified English representation of Andy Moore, Craig Drescher, Chris Grainger and last years modified winner Olly Jefferies.

Saturday and it was 19 turn, most of the modified regulars did little running on Friday with 19 turn instead concentrating on mod practise, but it was soon obvious that Andy Moore and the rest were right on the pace. Andy took FTD and won both legs of the A final in front of Chris Grainger and Jimmy Maddison.

On Sunday the only rain of the weekend fell with a light sprinkling which coated the track and made for a last round shoot out when the track dried and the grip came up just after lunch, Andy made it to the top of the time sheets in

front of Chris Grainger and Craig Drescher, these three would share the podium at the end of the meeting before the dash back to make their flights home.

As usual the meeting was well received by all competitors, well run with Rob Nelson taking care of the timing, a good social atmosphere made for a memorable weekend, once again well done to Andy.

BRCA Young Guns JUNIOR CHAMPIONSHIPS

Junior Touring Car Championship
Bedworth 15th July 07

If you are a young touring car driver you are a few weeks away from what will probably be the most important meeting of the season, the BRCA Young Guns Junior Championship. The t-shirts are printed, the raffle prizes are in and numbers are filling up, there are still a few places left so if you have not entered get on line and book now to avoid disappointment.
